

Kingston Lapidary & Mineral Club

370 King Street West, Unit 209, Kingston, Ontario K7L 2X4

What We Do!

Our club's purpose is to promote and encourage the growth of all phases of our hobby (e.g. Lapidary work, mineral, fossil and crystal collecting, etc.) for all interested. During the months of May through September, field trips for mineral collecting are planned.

What is Lapidary?

Lapidary is the cutting, engraving, polishing and setting of stones. It is an ART and a CRAFT. As well as technical skills that are developed, the use and appreciation of colour, texture, design and form is developed. Our workshop is available to members 11 yrs to adult at designated hours. We will train you!!

Where?

Our club meets on the second Friday of each month from November to April inclusive, at 6:30PM. From May to September, we offer monthly field trips. Our Junior club for those 8 - 12 yrs old meets on Friday evenings once a month as well, from 6:30 - 8 PM. Our newsletter, the Streakplate, is published 5 times a year to keep club members informed.

More Information?

See our website at <http://www.mineralclub.ca>

Contact Les or Eileen Moss at 613-384-4439 or emoss@cogeco.ca

Membership Fees are:

- Adult single \$20 per year (18 yrs and over)
- Family \$25 per year (The immediate members of one family, both adult and junior)
- Junior \$15 per year. Any person applying for junior membership must be sponsored by an adult member in good standing of the Kingston Lapidary & Mineral Club.

A prospective member may attend as a guest a total of two regular monthly meetings without having made formal application for membership.

The workshop is available to members 11 years of age to adult at designated hours. Cost is \$3/hr for adults, \$2/hr for juniors for workshops on Tuesday or Wednesday evening (6:30 – 8:30 PM) and some Sunday afternoons 1-4PM. We also offer silversmithing courses throughout the year on Monday or Thursday evenings and Friday late afternoons. For more information on silver smithing courses please see our website or contact Eileen Moss at 384-4439
